

A Weekly Overview

What are we doing in Class One this week?

*To celebrate the end of our short topic we on Minibeasts will be having an 'Ugly Bug Ball' next Wednesday (19th) for the children in the morning. We will be preparing for this this week. If you would like, your child can come to school that day dressed as a bug or minibeast! Please do not go out and buy anything, even if they just wear bright colours like a bug that would be great. We will be making a few snacks/treats with the children next week for the party, but if you would like to contribute a party plate/bowl of party food, cakes or drink that would be fantastic.

*Thank you to all that came along to our wonderful Sensory Garden opening last week, as well as the Family Picnic and Sports Day. The weather was fabulous and all children had an amazing day. It was lovely to see so many of you join us.

*We would also like to say thank you to all that came along to support our Summer Fayre. It was a great success!

*Cookery club finishes this week. We hope all of your children have enjoyed taking part during the year. Please can all children bring a named container. Thank you.

*Can **ALL reading books** please be returned to in school by **Tuesday 18th July** so that a school audit can be done in time for September. We encourage that you can visit the library over the holidays to continue their reading practise! Thank you in advance for this.

Summer Term 2 - Week 6

*Personal, Social & Emotional Development

This week in PSHE the children will be thinking about the different memories they have in Class 1. We will be looking back at old photographs and thinking about trips that we have been on over the year.

*Communication & Language *Literacy	This week we will be writing invitations for our Ugly Bug Ball as well as writing shopping lists and recipes for our party food.
*Maths	This week in Mathematics we will be learning about handling data.
* Understanding the World	This week we will be designing our own Minibeasts habitats. Children will be learning about the different places that Minibeasts live and we will be looking at the different habitats around our School grounds.
*Physical Development (PE Day - Wednesday)	This week we will be practising our throwing and catching using different sized balls and bean bags.
*Expressive Arts & Design	This week in creative the children will be creating a large Minibeast piece of art on material that we can use to decorate our classroom for the 'Ugly Bug Ball.'

Important Dates:
