

A Weekly Overview

What are we doing in Class One this week?

- This week our focus will be Nursery Rhymes.
- Thank you all that came to our first Family Worship of the School year. We are sure you'll agree it was an extra special Worship for our Reception children. It was great to see so many of you there.
- Parents' Evening - we look forward to meeting you this week on Monday and Wednesday to discuss your child's progress. Please allow additional time prior to your appointment to enable you to look at books and complete a parent voice form.
- This Thursday will be the last Dance after school club and the children will be performing the routine they have learnt at 4.15pm. Parents are welcome to attend this performance.
- We will be sending home a separate letter regarding a 'sponsored nature hunt' in Class One over the half term. This has been a great success in the past and we have raised lots of money to improve and buy resources for our Early Years garden. More details will be on the letter sent out this week.
- Just a reminder that there is NO craft club again this week due to Parents Evening on Wednesday.
- **School closes on Thursday for half term and will re-open again on Monday 30th October.**

Autumn 1, Week 7 - Week Beginning: 16/10/2017

Personal, Social & Emotional Development	This week in PSHE we will be talking about their new feelings about School now that they have settled in for their first half term.
*Communication & Language *Literacy	This week we will be focusing on Nursery Rhymes. We will be singing a selection of rhymes, adding music to them and also changing the words to some of the nursery rhymes. Reception children will be thinking about who may have pushed Humpty Dumpty off the wall in our very own crime scene! They will also be thinking of their own versions of row, row, row your boat!
*Maths	This week Nursery children will be learning about 'Fiona Five.' Reception will be moving on to learning about 2D shapes this week before continuing with their number work after half term.
* Understanding the World	Following on from our 'Brown Bear' and 'Polar Bear' stories that are linked to the senses, this week in topic the children will be finishing their senses learning. They will be learning through practical activities as well as looking at non-fiction books.
*Physical Development	This half term Reception and Nursery will be learning dance in their PE sessions with Miss Amy.

Oulton C.E. First School

Hand in hand learning together because every child matters to us

*Expressive Arts & Design	This week the children will create autumn sun catchers as well as completing their autumn weaving art work.
*Religious Education	This week in RE the children will be talking about what a service is at Church. They will also be creating their own pictures of God's creations.
