

A Weekly Overview

What are we doing in Class One this week?

*This week we will continue our theme of healthy eating and will focus on the story Handa's Surprise.

*We were very excited to welcome Paul Cookson to our School last Monday, it was lovely to see some of you join us in the special assembly he held. We all had a fantastic day learning about poetry.

*We want to say a huge Thank You to all that came along to our first Father's Day Den Building morning last Wednesday. I am sure you will all agree it was a fantastic morning, we all thoroughly enjoyed it and it was great to see so many different dens, all fantastic in their own little ways. Thank you.

*As the weather is due to stay very hot this week, please can we remind you that **ALL** children must wear a sun hat and can sun cream be applied before School. A named bottle of sun cream can be left in School for the children to reapply themselves at playtimes and lunchtime. Thank you.

*Just a reminder that there is NO cookery club this week.

*We have our 'Meet the Teacher' evening this Wednesday for all existing Nursery parents and new parents to Class One from September. This is held in School from 6-7pm.

Summer Term 2 - Week 3

*Personal, Social & Emotional Development	This week in PSHE, we will be continuing our discussion about transition and moving into Year One.
*Communication & Language *Literacy	This week the children will be focusing on the story of Handa's Hen. We will be sequencing it, using adjectives to describe the fruit and also planning our own alternative Handa's Surprise stories.
*Maths	This week in Mathematics Nursery children will

	be singing number songs and counting out a number of objects to match a given numeral. Reception children will be learning how to solve missing number sentences and working out different ways they can do this.
* Understanding the World	This week we will be having a salad bar in our lesson. The children will be trying different foods that belong in a salad and deciding whether they like or dislike them.
*Physical Development (PE Day - Wednesday)	This half term we will be outdoors learning different games skills in preparation for Sports Day.
*Expressive Arts & Design	This week in creative the children will be using their design sheets to create and construct their own Minibeast using junk materials and mod-roc.
