Home Learning

English/Science

Find all of the ways magnets are used in your house. Talk to your adults; do they know of any other ways that magnets are used? Make a list of the magnets with a sentence or two on the sheet provided to explain how they do their job.

Maths

Play a board or card game at home with a family member or friend. Write down how the game helped you improve your Maths skills.

Number Facts/ Fluency

The multiplication and division facts test will take place on Thursdays and spellings on Fridays each week unless children are told otherwise.

Please be aware that the National Curriculum expectation for most children at the end of Y3 is that they should know the 2x, 5x, 10x, 4x, 8x and 11x tables. Y4 should know these and also the 6x, 7x, 9x and 12x tables.
