

Oulton C.E. First School

Hand in hand learning together because every child matters to us

Class 3 information for parents, w.b. 4th September 2017

Dear Parents,

Welcome back to our new school year. We hope that the children have enjoyed their break.

We are looking forward to an exciting term which will include learning about Superheroes and the Romans- and a visit to the Roman Museum in Chester.

Home Learning

Children will be issued with reading books today. Please complete your child's reading record every night as this is a valuable tool for sharing information about your child's progress or challenges in reading.

Please refer to the reading information in your class pack; we expect children to read at least three times a week from the class reading scheme and the rest of their reading could be from home books/ Oxford online (<http://www.oxfordowl.co.uk> password badgers), the school library or local library. Children who have completed the Summer Reading Challenge will share their achievement in worship next week; please send items in on Monday 11th.

Multiplication, division facts and spellings will be issued on Thursday and Friday this week. The multiplication and division facts test will take place on Thursday 14th September and spellings on Friday 15th September. All other home learning tasks will start next week.

Dictionaries

Although we do have dictionaries in class, you might wish to purchase one for your child's home and school use. WH Smith are currently selling small dictionaries for £1.99 and other dictionaries are available in shops and online, for example those published by Collins & Oxford.

If you have any concerns about your child as they start school, please notify us as soon as possible as we want the children to feel settled and happy in class. It is possible to speak to us briefly between 9.45 and 9.55 however if you would like to discuss any issues in depth please make an appointment at the office.

Yours,
Mrs Dawson & Mrs Potts
