

Oulton C.E. First School

Hand in hand learning together because every child matters to us

Class 3 information for parents, w.b. 25th September 2017

Dear Parents,

We had a fantastic morning on Thursday with the World Champion BMX rider Kelvin Batey. He was enthusiastic and inspirational. Could we please remind you that any sponsor money collected for this event needs to be taken to the office by Friday.

We are again looking forward to an exciting week in Class 3. We will celebrate European Day of Languages on Tuesday (please remember to help the children as they find out key phrases in any languages they choose). As we look forward to National Poetry Day on Thursday we will be studying poetry in English lessons.

On Thursday afternoon, a group of year 3 children will be taking part in the Learn to Ride programme. If your child is one of the children taking part, please make sure they have their bike and a helmet in school ready for the session. (If there is a problem with this please contact the office and alternative arrangements can be made). This event was extremely enjoyable and successful last year, so we are hoping for the same this year.

We hope you are able to join us in Church this Friday (2pm) to celebrate Harvest. We are supporting Stone Food Bank again this year and all non-perishable donations should be taken to the school office from 25th-29th September - thank you.

Home Learning

The multiplication and division facts and spellings test will take place on Friday this week.

Children have been given a poem to share at home and enjoy. For Maths/Science home learning, children have been asked to look at home for 3 items with calibrations used for measuring (eg medicine syringes, scales, thermometers) and to talk with parents about what they are used for, how to measure with them and the units of measurement used (for example grams, degrees Celsius, millilitres).

Yours,
Mrs Dawson & Mrs Potts.
