

A Weekly Overview

What are we doing in Class One this week?

- This week is British Science Week. We look forward to celebrating this on Friday 16th. All children in the School will take part in a special science workshop in the afternoon led by Mrs Miller from CCA. This has been a great success over the last few years so we are really looking forward to taking part again this year.
- Mother's Day lunches - Thank you so much to all the Mums and Grandmas that came along to our special Mother's Day lunches last week. It was great to see you all and we hope you enjoyed this special time with your child.
- Maths Stay and Play sessions - Thank you to all Nursery parents that came along last Monday. We had a fantastic morning and we hope you enjoyed taking part in some of the maths activities your children use in the classroom. Just a reminder that Reception parents are invited on Thursday 22nd March (8:45-9:30).
- PE: Nursery and Reception will have PE on a **Tuesday** this half term. All children need their indoor PE kit as they will be taught Multi-Skills 'Fundercats' led by ASM Sports.
- Reception - Disco Dance club continues this week. Please can children have their dance kit in School and their hair tied back.
- Reception - Cookery Club continues this Wednesday. Please can all children attending club have their hair tied back ready for club. Can all children bring a **named container** to carry their food home in. Thank you.
- Reaseheath - We have our trip next Monday (19th March). Please can we remind you that all children will need to bring their packed lunch in a bag that they can carry as well as their wellies in a named bag. Thank you.

Spring 2, Week 3 - Week Beginning: 12/03/2018

Personal, Social & Emotional Development	This half term our topic is 'Me and My Relationships.' This week we will be talking about different families and extended families.
*Communication & Language *Literacy	This week we will be finishing off our work on the story 'Sharing a Shell.' They will be learning to write a letter to one of their friends.
*Maths	This week both Nursery will be learning about the number 15. Reception children will be finishing their learning about the number 14.
*Understanding the World	This half term our topic will be farm animals and their babies. This week the children will be looking in non-fiction books to research baby animals. They will be writing about them as well as completing

Oulton C.E. First School

Hand in hand learning together because every child matters to us

	matching activities.
*Physical Development	This half term Nursery and Reception will be learning Multi-Skills led by ASM Sports. PE day is now a Tuesday .
*Expressive Arts & Design	This week in creative the children will be creating pictures using a 2 simple programme - '2 Build a story' on the iPad. Reception children will be adding text and movements to their pictures.
*RE	This half term the focus will be The Easter Story. This week the children will be learning the meaning behind the cross, for example on a hot cross bun at Easter time.
