

Oulton C.E. First School
Hand in hand learning together because every child matters to us

A Weekly Overview

What are we doing in Class One this week?

- This week has lots of eggciting activities linked to Easter. It is an eggcellent time for families to come and join in with all of the fun.

- On Monday 26th March it is Easter crafts 9-10am
- On Wednesday 28th March at 2.30pm it is Family Worship
- On Thursday 29th March at 2pm it is our Easter Service at St Johns Church
- There is no cooking club this week however the new cooking club starts after Easter and will be on a Monday. Please can all children attending club have their hair tied back ready for club. Can all children bring a **named container** to carry their food home in. Thank you.
- Letters will go home today regarding the Sunflower challenge.
- PE: Nursery and Reception will have PE on a **Tuesday** during the next half term. All children need their indoor and outdoor PE kit as they will be taught Multi-Skills 'Fundercats' led by ASM Sports.
- Thank you to all parents and grandparents who attended our Maths Play and Stay last week. It was lovely to see everyone engaging in their maths learning. If you require any further information then you can look on our school website under policies - maths and this will then inform you of how we are teaching maths across the school.
- After Easter we will be sending home maths packs. These will consist of games, books and activities that the children will be able to do at home. I would really appreciate two parent helpers to run this on a weekly basis. It will consist of half an hour each week to check the packs in and issue children with a new one. If you are able to offer your time please speak to myself or Mrs Hooley.
- Thank you to those parents that have sent in photographs via 2simple. It is lovely to see what your children are doing at home. If you haven't sent any observations then you can do so by replying to the 2simple emails that we send out of observations of your child at school.
