

Oulton C.E. First School  
Hand in hand learning together because every child matters to us

### A Weekly Overview

#### What are we doing in Class One this week?

- Cooking club continues this week. Please can all children attending club have their hair tied back ready for club. Can all children bring a **named container** to carry their food home in. Club finishes at 4pm. Thank you.
- This week is internet safety week and we will be focussing on what technology we use at home and what the children know about staying safe on the internet when they are at home. It would be lovely to see some photographs via 2 simple of your children using different types of technology at home. This could be using ipads, computers, taking pictures using a camera, making toys move either by pushing or pulling or by remote control.
- PE: Nursery and Reception will have PE on a **Tuesday** during the next half term. All children need their indoor and outdoor PE kit as they will be taught Multi-Skills 'Fundercats' led by ASM Sports.
- Keep sending photographs in of your sunflowers. It is lovely to see how much they are growing.
- With our weather being temperamental, could I ask that children come prepared for all weathers. For example sun cream, sun hat an water bottle for the warmer weather or warm coat for the cooler weather.
- I have put some homework on Education city for both Nursery and Reception. If you are unsure of your username and password then please ask and I will give them out again.
- Letters for Father's day Den building have been sent out. If you are unable to attend then maybe a uncle, grandad or grandma might like to attend on behalf of the child's dad. It would be lovely to see everyone building a den in our lovely garden area.

#### Summer 1, Week 3 - Week Beginning: 30/04/2018

*Communication & Language *Literacy	This week we will be reading the story of Jack and the beanstalk.
*Maths	Reception - This week children will be focussing on number 18 and

	sharing between two and three. Nursery - This week children will be using practical resources to add two numbers together.
* Understanding the World	We are continuing with our topic of <i>Growing</i> and we will be dissecting a plant and finding out the names of parts of a plant and what they do. We will also be drawing a plant.
*PSHE	Our focus this half term will be 'Me and other people' We will be creating a mini book about 'Who am I' and what they like and don't like.
*Physical Development	This half term Nursery and Reception will be learning Multi-Skills led by ASM Sports. PE day is now a <b>Tuesday</b> .
*Expressive Arts & Design	Children will be singing nursery rhymes and identifying which musical instruments will work best with that tune.
*RE	We will be learning about the different types of prayers that we say, identifying types of prayers that we say in school and writing our own thank you prayers.
