

Oulton C.E. First School  
Hand in hand learning together because every child matters to us

**Class 3 information for parents, w.b. 5<sup>th</sup> March 2018**

Dear Parents,

As World Book Day was unfortunately cancelled last week, we will be holding it on Thursday 8<sup>th</sup> March instead. Please return any completed challenge sheets (and photos if children would like to share them) on Thursday. Class 3 will be dressing up as characters from David Walliams stories.

The School Book Fair will start on Wednesday 7<sup>th</sup> March - Friday 9<sup>th</sup> March 8.30-9.00am & 3.00-3.45pm.

The Stone Pyramid concert will take place on Tuesday 6<sup>th</sup> March at the Victoria Hall, Hanley. The children involved are being transported by parents and helpers. All the pupils will stay at the hall and require a packed tea (which they will need to provide), and it is then hoped that parents will attend the concert at 6.30pm and then transport their child home at the end (approx. 8.00pm). If you cannot attend please make sure your child is picked up at 8:00. If they are being collected by someone else please let the office or Mrs Dawson know.

Also on Tuesday 6<sup>th</sup> March is the There is no Planet B awards presentation evening. This will start at 6pm - 7.30pm at St Chads Church, Stafford. Please make sure children are there for 6pm and collected by 7:30. Parents of the children invited are welcome to stay. If your child is being collected by someone else please let the office know. Mrs Potts will be attending this event.

We would like to invite mums to our Mothers' Day worship on Wednesday 7<sup>th</sup> March at 9:15 am.

Please ensure that your child's violin is in school on Mondays by 8.55 am as lessons are being disrupted by a number of children trying to share each week.

**Home Learning**

**English**

Find a limerick and learn it to perform in class.

**Science**

Log onto Education City Science Y3 and complete all four magnetism activities. Please ensure that you sign in to your account so that we can check your results. (Y4 children please note that this is also your Science homework because of our 2-year programme of study in Class 3)

**Number Facts/ Fluency**

The multiplication and division facts test and spellings will take place on **THURSDAY** this week

Please be aware that the National Curriculum expectation for most children at the end of Y3 is that they should know the 2x, 5x, 10x, 4x, 8x and 11x tables. Y4 should know these and also the 6x, 7x, 9x and 12x tables.
