Hand in hand learning together because every child matters to us

**Class 3 information for parents, w.b. 16<sup>th</sup> April 2018**

Dear Parents,

Welcome back to our new term. Our topic this term is Robin Hood; in addition to studying legends in English, this theme will run through most subject areas. We will be looking at community in PSHE, plants in Science, food in D& T and in French and will be doing collagraph prints of landscapes and plants. We have also applied for a Parliamentary loan box from the House of Commons to help in our studies on Debating and Manga Carta; watch this space to find out if we have been successful!

In order to prepare Y4 for their next school, Y4 only are allowed to walk up the drive alone in the mornings. Please continue to collect your child as usual at the end of the day; Y3 should be brought to the door by parents as usual, please.

Swimming will continue until half term; please ensure that your child has trainers in school every day as we now run together as a class on a daily basis.

**Home Learning**

**English**

Make a list of all of the legends that your parents/ family members know. How many different forms have they heard the same story (e.g. films, cartoons, bedtime stories by grandparents, comic strips, novels...).

**Maths**

Children have been given a Maths sheet to work on. Please support your child with this work if necessary.

As you are aware, The National Curriculum expectation for most children at the end of Y3 is that they should know the 2x, 5x, 10x, 4x, 8x and 11x tables. **Y4 should know these and also the 6x, 7x, 9x and 12x tables for their end of year assessments in June.**

In class, the children have been enjoying the times tables fitness songs below:

**Number Facts/ Fluency**

The multiplication and division facts test will take place on **Thursday** this week and the spellings will be tested on **Friday**.

Yours,  
Mrs Dawson & Mrs Potts
