

Oulton C.E. First School

Hand in hand learning together because every child matters to us

Class 3 information for parents, w.b. 22nd January 2018

Dear Parents,

We have an exciting week ahead with a visit to St John's Church on Tuesday.

On Friday morning visitors from No Planet B will be coming to class 3 and leading an Eco Art/ Design and Technology workshop. We would like your child to bring a plastic bottle into school to use for Friday's workshop, if possible- a coloured one would be best, but there will be a few clear ones provided if you do not buy bottled drinks.

Home Learning

English

Find a poem that you enjoy. Copy it out in your BEST handwriting and be prepared to write about why you like it in school next week. With your grown-ups, talk about what type of poem it is (eg limerick, haiku, epic, nonsense), whether it rhymes or not and which words make it interesting and why.

Maths

Children have been given multiplication activity sheets to complete.

Number Facts/ Fluency

The multiplication and division facts test will take place on Thursdays and spellings on Fridays each week unless children are told otherwise.

Please be aware that the National Curriculum expectation for most children at the end of Y3 is that they should know the 2x, 5x, 10x, 4x, 8x and 11x tables. Y4 should know these and also the 6x, 7x, 9x and 12x tables.

Yours,

Mrs Dawson & Mrs Potts
