Hand in hand learning together because every child matters to us

Class 3 information for parents, w.b. 29th January 2018

Dear Parents,

We were very pleased with the children's attitude to learning on Tuesday when we welcomed our visitors into class and went to visit St John's church. They children asked some very challenging questions and thought carefully about the answers they were given and showed a very good understanding of the topic.

Rescheduled workshop: **BRING A BOTTLE**. On Friday morning visitors from No Planet B will be coming to class 3 and leading an Eco Art/ Design and Technology workshop. We would like your child to bring a plastic bottle into school to use in Friday's workshop, if possible- a coloured one would be best, but there will be a few clear ones provided if you do not buy bottled drinks. WE NEED MORE BOTTLES!

Home Learning

English

Children are preparing their own story for the BBC 500 Words Competition. Every day, children need to talk about their preparation for the story, and from Tuesday onwards they should tell the story to an adult each day. AS they retell the story, encourage them to add in adjectives & adverbs and other interesting language and description. Each day's version should be an improvement on the next.

Maths

Y3: Education City. Choose 3 multiplication activities from the Y3 Multiplication & Division area. Remember to log onto your account so that your teachers can check your progress.

Y4: Education City. Choose 4 multiplication activities from the Y4 Multiplication & Division area. Remember to log onto your account so that your teachers can check your progress.

Number Facts/ Fluency

The multiplication and division facts test will take place on Thursdays and spellings on Fridays each week unless children are told otherwise.

Please be aware that the National Curriculum expectation for most children at the end of Y3 is that they should know the 2x, 5x, 10x, 4x, 8x and 11x tables. Y4 should know these and also the 6x, 7x, 9x and 12x tables.

Yours,

Mrs Dawson & Mrs Potts

Curriculum overview for this week:

Oulton C.E. First School

Hand in hand learning together because every child matters to us
