Hand in hand learning together because every child matters to us

Class 3 information for parents, w.b.30th April 2018

Dear Parents,

We are currently working on newspaper reports with the children. Please show them age-appropriate articles in the newspaper, helping them to decide whether they are reading an advert, editorial, news report, information feature or other text type. We have also been talking about the intention of the writer; is the reporter giving a fair view of facts or is he/ she trying to encourage particular opinions in the readers?

Please remember that school will not be open next Monday, 7th May as it is Bank Holiday Monday.

Mrs Dawson & Mrs Potts.

Home Learning

English/Science

Make a factsheet about different types of seeds.

Success Criteria:

- Include seeds that are transported by animals, by the wind, by water and by gravity.
- Use headings and subheadings for your paragraphs.
- Use labelled diagrams.

Maths

Y4: Watch <http://www.bbc.co.uk/guides/zyrj7ty> . You will need a pencil and paper to work out the answers to the challenges that Gary Lineker gives you (tip: you can pause the video!).

Y3: Watch <http://www.bbc.co.uk/guides/zxcfjty> and complete the activities on unit and non-unit fractions.

As you are aware, The National Curriculum expectation for most children at the end of Y3 is that they should know the 2x, 5x, 10x, 4x, 8x and 11x tables. **Y4 should know these and also the 6x, 7x, 9x and 12x tables for their end of year assessments in June.**

In class, the children have been enjoying the times tables fitness songs below:

https://www.bbc.co.uk/sport/super movers/42675177?dm_i=3YNL,D2C8,3I21O8,1DBCY,1

Number Facts/ Fluency

The multiplication and division facts test will take place on **Thursday** and spellings on Friday this week.

Yours,

Mrs Dawson & Mrs Potts
