Hand in hand learning together because every child matters to us

Class 3 information for parents, w.b.3rd December 2018

Dear Parents,

Thank you to the PTFA and to everyone who supported the planning of the Christmas Party on Friday evening. Well done to the Class 3 members of the Choir who performed at Walton Community Centre on Sunday.

We are starting Multiplication and Division in Maths this week; your child will be sent home a Times Tables Rockstars login which will support their learning.

As we learn about the meaning of Christmas in school, we are hoping that families will support the "Socks for the Homeless" appeal in Stoke on Trent, run by the Co-op Bank and Saltbox.

If your family is able to take part, please watch the link below & bring in a sock full of items (including the partner sock!) to school by 14th December at the latest.

<https://www.youtube.com/watch?v=-IGmihKMLiY>

Flu vaccines will be administered on Wednesday afternoon for those children who were signed up for them.

Could we please remind you that trainers still need to be in school **every day** for our fitness run and that full PE kit needs to be in school on Tuesdays and Thursdays, so that children can participate fully in their PE lessons.

Choir will be singing for the Alzheimer Society on Thursday morning and at the church fundraiser on Friday Evening at St John's Church (7-8pm).

On Friday we are taking part in the Donna Louise Trust Christmas Jumper day, so don't forget to dig out those great sweaters!

Thank you,

Mrs Dawson & Mrs Potts

Home Learning

English/ Topic/ Spelling: Home Learning Pack sheet.

Maths Challenge:

Children have been given a Maths problem to work on.

As you are aware, The National Curriculum expectation for most children at the end of Y3 is that they should know the 2x, 5x, 10x, 4x, 8x and 11x tables. **Y4 should know these and also the 6x, 7x, 9x and 12x tables for their end of year assessments in June.**
