

**A Weekly Overview**  
**What are we doing in Class One this week?**

- We hope you all enjoyed the long bank holiday weekend and are ready for another jam packed week.
- Cooking club continues next week. Please can all children attending club have their hair tied back ready for club. Can all children bring a **named container** to carry their food home in. Club finishes at 4pm. Thank you.
- PE: Nursery and Reception will have PE on a **Tuesday** during the next half term. All children need their indoor and outdoor PE kit as they will be taught Multi-Skills 'Fundercats' led by ASM Sports.
- Thank you for all of your photographs of your sunflowers. They are all getting so tall! Mine are not as tall as some. I am looking forward to seeing how much you have raised for our garden area. Please keep sending your photographs of your sunflowers or anything else you get up to. We have had some amazing emails of children showing their writing, children at their football classes, children baking at home and children finding fossils. We love to see what you have been up to.
- With our weather being temperamental, could I ask that children come prepared for all weathers. For example sun cream, sun hat an water bottle for the warmer weather or warm coat for the cooler weather.
- Children will be having weekly Education city homework which will be linked to their class learning.
- Shhhh the children don't know yet but next week we will be celebrating the 'Royal Wedding'. We would like it if children could bring in a photograph of a family member getting married, this will help with our discussion on weddings. On Friday 18<sup>th</sup> May the children will be able to come in their wedding party clothes and we will be asking for donations of party food so that we can have our own wedding party.

**Summer 1, Week 4 - Week Beginning: 07/05/2018**

*Communication & Language *Literacy	This week we will continue reading the story of Jack and the beanstalk, children will be drawing story maps and writing their own version of the story.
*Maths	Reception - This week children will be focussing on number 19 and looking at "D shapes. Nursery - This week children will be learning about 2D shapes
* Understanding the World	We are continuing with our topic of Growing and we will be drawing our own

\*\*Our Christian Values: Trust - Thankfulness - Friendship - Forgiveness\*\*

	plants and labelling.
*PSHE	Our focus this half term will be 'Me and other people' We will be sharing our book about ourselves and looking at similarities and differences.
*Physical Development	This half term Nursery and Reception will be learning Multi-Skills led by ASM Sports. PE day is now a <b>Tuesday</b> .
*Expressive Arts & Design	Children will be playing their instruments and creating patterns.
*RE	We will be learning about the different types of prayers that we say, identifying types of prayers that we say in school and writing our own sorry prayer.
