

A Weekly Overview

What are we doing in Class One this week?

- Now that all children have received their Education City password I will be setting some home learning that you can access via the homework tab on the website.
- Phonics learning will be going home every Monday, Tuesday, Wednesday, Thursday and Ten Town will be going home on a Friday. The children's home learning isn't expected to take more than 10 minutes but it gives you an indication what they have learnt that day and the rhyme for formation. Alongside their home learning we still encourage children to read every day whether that is their phonic book or a story from home.
- Parent's phonics meeting has now been changed to Wednesday 3rd October 6-7pm and afterwards is the PTFA annual meeting and it would be lovely to have some new parents join the team.
- Below are some notifications -
 - Thank you to those parents that are encouraging their child to get dressed independently. It is really showing us how independent children are becoming. Some children still need some support especially with getting jumpers on and off so can we still ask that your child practices this at home.
 - If you child has sickness or Diarrhoea then they are required to be off school for 48hours after the last motion.
 -
- We have had so many proud clouds and achievements from clubs which is amazing. We would love it if you could reply back to our 2 simple emails so we can see what your child is doing at home.
- Library books are due in on Monday for Ladybirds and Tuesdays for Reception.

• **Autumn 1, Week 4 - Week Beginning: 24/09/18**

Personal, Social & Emotional Development	Our topic this half term is 'Me and My School.' We will be drawing pictures of what we are good at.
*Communication & Language *Literacy	This week we will be continuing the story of 'The Little Red Hen' we will be sequencing the pictures of when we made bread and writing a list of the ingredients we used.
*Maths	This week Reception and Ladybirds will be learning about Tommy Two (2) we will be looking at how to write it, how to count it, where to find it in the environment, how to use a 5 frame and how to draw that many pictures.
* Understanding the World	Our topic this term is our body. This week we will be talking about what we can and can't do with our bodies.
*Physical Development	This half term Reception and Nursery will be learning dance in their PE sessions with Miss Amy.

Oulton C.E. First School

Hand in hand learning together because every child matters to us

*Expressive Arts & Design	This week the children will be creating their own Andy Warhol pop art picture of themselves.
*Religious Education	This week in RE the children will be learning an Autumn song ready for our Harvest service at church on Friday.
