Hand in hand learning together because every child matters to us

Class 3 information for parents, w.b. 9th October 2017

Dear Parents,

We would like to invite you to Family Worship which will be held on this Wednesday afternoon at 2:30pm.

We are looking forward to our trip to Chester on Thursday; please remember to send a packed lunch and coat as part of the trip does involve a walk around Chester to see various Roman sites.

Letters will be sent home this week regarding Parents' Evening. Please complete the slip and return by Friday so that an appointment can be made.

Today's choir session will be the last of the half term as next Monday will be Parents' evening. Please remember to sign up for one of the two dates on offer.

Friday's gardening club will be the last of this term, as it is INSET on Friday 20th October, and it will be too dark after half term.

Home Learning

We would like the children to focus on mathematical fluency which involves a good recall of basic addition and subtraction facts. We have sent home another copy of these which were included in the Class 3 welcome packs. It is vital that children know all of these facts as they are then enabled to add and subtract larger numbers and to multiply and divide. Please try to learn two or three of these each night & talk about how they relate to larger numbers.

For example:

$3+4= 7$ helps us with: $30+40= 70$

$300+400= 700$

$13+14= 27$.

English Home Learning is a tenses sheet. Please also help your child to use the correct tense when talking as this informs their writing (e.g. I wrote instead of I writ, I gave instead of I gived.)

Multiplication and division facts and spellings will be tested on Friday this week as we are on the Chester trip on Thursday.

Yours,

Mrs Dawson & Mrs Potts.
