Hand in hand learning together because every child matters to us

Class 3 information for parents, w.b. 20th November 2017

Dear Parents,

Thank you for your support of Children in Need last week. We are looking forward to the Christmas Family Party on Friday; please buy your tickets in advance if possible.

The children responded very well to learning in Anti-Bullying week and we are pleased that so many parents were able to attend the worship on Thursday. The website below has helpful links for parents and children on coping with various types of bullying.

<https://www.anti-bullyingalliance.org.uk/anti-bullying-week>

On Wednesday we will be holding a book swap; please remind your child to bring in any books that they wish to swap.

Christmas Play: Children have now been issued with requests for costumes for the Christmas play. We would be very grateful if you would also send in a named coat hanger so that the costume does not get creased. If you have any queries, please speak to one of the Class 3 teachers.

Stone Food Bank - just a reminder that we have a box for non-perishable food donations in the entrance to the school and would welcome donations.

Choir reminder: Pupils are opening the Christmas Party on Friday and should arrive at 5.50pm. They are also singing at Walton Community Centre on Sunday and should arrive at 2.45pm. Uniform is required for both events please.

Home Learning

English

Find out the name of a living person who inspires you that you would like to write to. This could be an explorer, an author, a sportsperson, a charity founder, a scientist or maybe a mathematician. Think of three questions that you would like to ask them. We will be writing to some of the people chosen by the class in English lessons next week.

Maths

Children have brought home a Maths sheet to complete.

Number Facts/ Fluency

The multiplication and division facts test will take place on Thursdays and spellings on Fridays each week unless children are told otherwise.

Please be aware that the National Curriculum expectation for most children at the end of Y3 is that they should know the 2x, 5x, 10x, 4x, 8x and 11x tables. Y4 should know these and also the 6x, 7x, 9x and 12x tables.

Mrs Dawson & Mrs Potts.
