

## Class 3 Information For Parents WB 31<sup>st</sup> October 2022

Dear Parents,

We hope that the children have had a lovely break. This week we are looking forward to our visit to the Museum of Cannock Chase in Cannock. The children will discover what life was like on the Home Front during World War II to help them understand Britain's past. Please remember that as part of this experience we would like the children to dress up as evacuees and they will need waterproof coats and a packed lunch.

Next week the children will be tested on last half term's Maths Key Instant Recall Facts (these can be found underneath the times tables information on the school website <https://www.oulton.staffs.sch.uk/class-3>) The children will not be set a written home learning task this week.

Thank you,

Best Regards,

Mrs Dawson, Mrs Potts & Mrs Caswell

### Home Learning

Make sure that you know the KIRFS for last half term.

#### Times Tables

By the end of Y2, most children will know 2x,5x,10x tables.

By the end of Y3, children need to know the, 3x,4x and 8x tables. Y4 need to know all of the others up to 12x 12.

As mentioned in the times tables letters and on our class web page, their learning can be supported by using <https://www.timestables.co.uk/> to practise the times tables that they do not yet already know, using a systematic approach

Hand in hand at Oulton, we strive to follow Jesus' example offering **friendship** and **forgiveness** through a **trusting** and **welcoming community** where all our loved and valued as children of God. We are **thankful** for the exciting and vibrant curriculum which enables everyone to flourish and achieve their God given potential.

*I will cover you with my hands and protect you. Isaiah 51:16 (ICB)*

\*Trust - Thankfulness - Friendship - Forgiveness - Koinonia\*

to go through the activities on the website, for example with the 6x tables, Y4 would do this 5- step section of the site: <https://www.timestables.co.uk/6-times-table.html>.

When the children are familiar with all of the multiplication and division facts for all of the times tables, they need to go onto the timed multiplication tables check practice section of the site which is shown on the right-hand menu bar of the home page. This gives a very close simulation of the test taken at the end of Y4 and analyses the answers so that the children are able to focus on learning the ones that they get wrong in a very tailored fashion. This should ensure their progress through the times tables, whilst keeping previous knowledge fresh. Multiplication problem solving (when children know all of their times tables) can be done using <https://nrich.maths.org/13788>

The children are also enjoying using One Minute Maths and still have access to TT Rockstars if they wish to use it for practising recall facts.

Spellings and times tables tests will take place on Thursday this week.

Our Worship theme this half term is Thankfulness; home resources to support this can be found at

[https://www.oulton.staffs.sch.uk/user\\_uploads/files/homeschoolvalues-thankfulness.pdf.pdf](https://www.oulton.staffs.sch.uk/user_uploads/files/homeschoolvalues-thankfulness.pdf.pdf)

#### This Week's Learning in Class

<b>English</b>	The Lion and The Unicorn
<b>Maths</b>	Addition and Subtraction
<b>Science</b>	Living things and their habitats
<b>P.E.</b>	Thursday: Dance
<b>Music</b>	Glockenspiels
<b>RE</b>	Festivals of Light
<b>Languages</b>	Classroom Instructions
<b>Computing</b>	Internet safety. Unit 3.2
